Greetings to everyone. The Wildfire Children and youth camp is a 7 days yearly program organized and conducted by Wildfire Ministries Kenya in partnership with Wildfire Ministries USA and Youth With a Mission Athiriver and that aims at empowering the young generation in Pokot with christian values and character to help them thrive and grow in the knowldege of God. In the year April 2014, we succesfully conducted our first camp at Moi masol ac- cademy which was attended by over 500 children and youths from the Pokot community. Teams from Wildfire Ministries USA, YWAM Athiriver and YWAM Cambridge (UK) also participated in the camp which was organized and hosted by Wildfire Ministries Kenya. Unlike last year, this year's camp will be held in the month of August from 7th to 14th. This year we are targeting more than 500 children and youths from different denominations. There will also be a pastor's leadership seminar which will start on 8th and end on 9th. We are hoping to host more than twenty pastors from different churches across Central Pokot. Like in our first camp, this year we are also hoping to have team s from different countries attend the camp.
